

GENERAL MECHANIC

JOB TITLE: General Mechanic
DEPARTMENT: Operations
SUPERVISOR: Operations Manager
JOB TYPE: Full-time
LOCATION: 24 Haniak Rd, Rosslyn – ON

Smart Modular Canada is a modular buildings manufacturer. From micro homes to hotels, we build to last. We are a fast-growing energetic company building quality homes and buildings for all Northern Ontario and beyond. Our philosophy is one of a family atmosphere with great people to work with. We offer a climate-controlled experience when working within the factory, with competitive wages, a benefit plan, and a retirement program. Here skilled craftspeople have a regular schedule, are not dependent on weather conditions, and do not have the headaches associated with repair/emergency work. Come build your future with us!

GENERAL JOB DESCRIPTION

We are looking for a skilled Mechanic to assemble, maintain and repair tools, machinery, and vehicles. You will be responsible for ensuring functionality and reliability of tools, machines, engines and mechanical systems. An excellent mechanic must have manual dexterity and great attention to detail. They must be able to work with various machines and tools as well as follow all safety precautions. Experience as a Heavy Duty Mechanic or Truck & Trailer mechanic is an asset as we now have semi-trucks and trailers as well as scissor lifts, forklifts and a variety of automated machinery, and small tools.

DUTIES AND RESPONSIBILITIES

- Conducts routine vehicle and trailer inspections reporting any problems to supervisor.
- Diagnose issues including using electronic diagnostic equipment.
- Perform basic care, inspection and maintenance of motor vehicles, including changing oil, checking fluid levels, and rotating tires, as well as running diagnostic tests to determine issues.
- Perform thorough maintenance on all tools, machinery, equipment and systems.
- Troubleshoot reported problems and resolve in a timely manner.
- Clean and apply lubricants to machinery components.
- Replenish fluids and components of engines and machinery and disposes of same.
- Provide consultation on correct maintenance and preventative measures to machine or vehicle users.
- Performs emergency repairs.
- Chooses appropriate materials based upon mechanical needs.
- Installs complex mechanical systems.
- Ensure compliance with company and safety regulations and maintains a safe work environment.
- Ensure quality standard in performance.
- Keep logs of work and report on issues to the supervisor.
- Orders and replaces parts and components and repairs body damage as needed.
- Undertake other duties as assigned (e.g. repair hydraulic systems, painting vehicles, etc.)

QUALIFICATIONS FOR THE JOB

Education:

- High school diploma or equivalent.
- Certification from a vocation school or completion of apprenticeship is a definite plus.
- Valid certification is preferred (e.g ASE)

Experience:

- Three to Five years' successful experience as a mechanic, preferably Heavy Duty or Truck and Trailer
- Proven understanding of pneumatics, hydraulics, and mechanics.
- Valid Class "G" Drivers license with clean record is required.
- Class A Drivers license is an asset.
- Forklift certification is an asset.

KEY COMPETENCIES

- Excellent knowledge of machinery and hydraulic, electrical and other systems and their components.
- Aptitude in using various hand tools (screwdrivers, hammers, etc.) and precision measurement tools (e.g. calipers)
- Ability to follow establish procedures and practices and read instruction.
- A strong commitment to health and safety guidelines.
- Very good communication skills.
- Problem-solving ability
- Have their own set of specialty tools is required.
- Competent under the Ontario Health and Safety Act.

PHYSICAL REQUIREMENTS

- Ability to lift and move heavy objects (up to 50 pounds).
- Physical stamina to perform manual tasks, including bending, stooping, and standing for extended periods.

To apply please submit your resume to careers@smartmod.ca or see our posting on Indeed.

Due to the number of applications received, only those selected for an interview will be contacted.

Thank you for your interest in Smart Modular Canada.
