

Let Us Help You Design Your Own Wheelchair-Accessible Home

24 Haniak Road, Rosslyn, ON P7K 0C8, 1-807-622-3125, <https://www.smartmod.ca/>

Step-free entry and exterior access

Controls located at the front of appliances

Side-opening or drawer dishwashers and ovens

Open space under sinks or work areas for knee clearance

Lowered countertops (often around 30-34 inches high)

Pull-out shelves and drawers instead of deep cabinets

Wider doors & Hallways - 42-48 inches

Closet rods & shelves within reachable height

Turning space - 5-foot (1.5 m) turning radius

Reachable switches, outlets, and storage

EXTERIOR

24 Haniak Road, Rosslyn, ON P7K 0C8, 1-807-622-3125, <https://www.smartmod.ca/>

Covered entrances

Wider doors & Hallways - 42-48 inches

Turning space - 5-foot (1.5 m) turning radius

Door handles should be lever-style rather than round knobs

Gentle sloped ramp with handrails

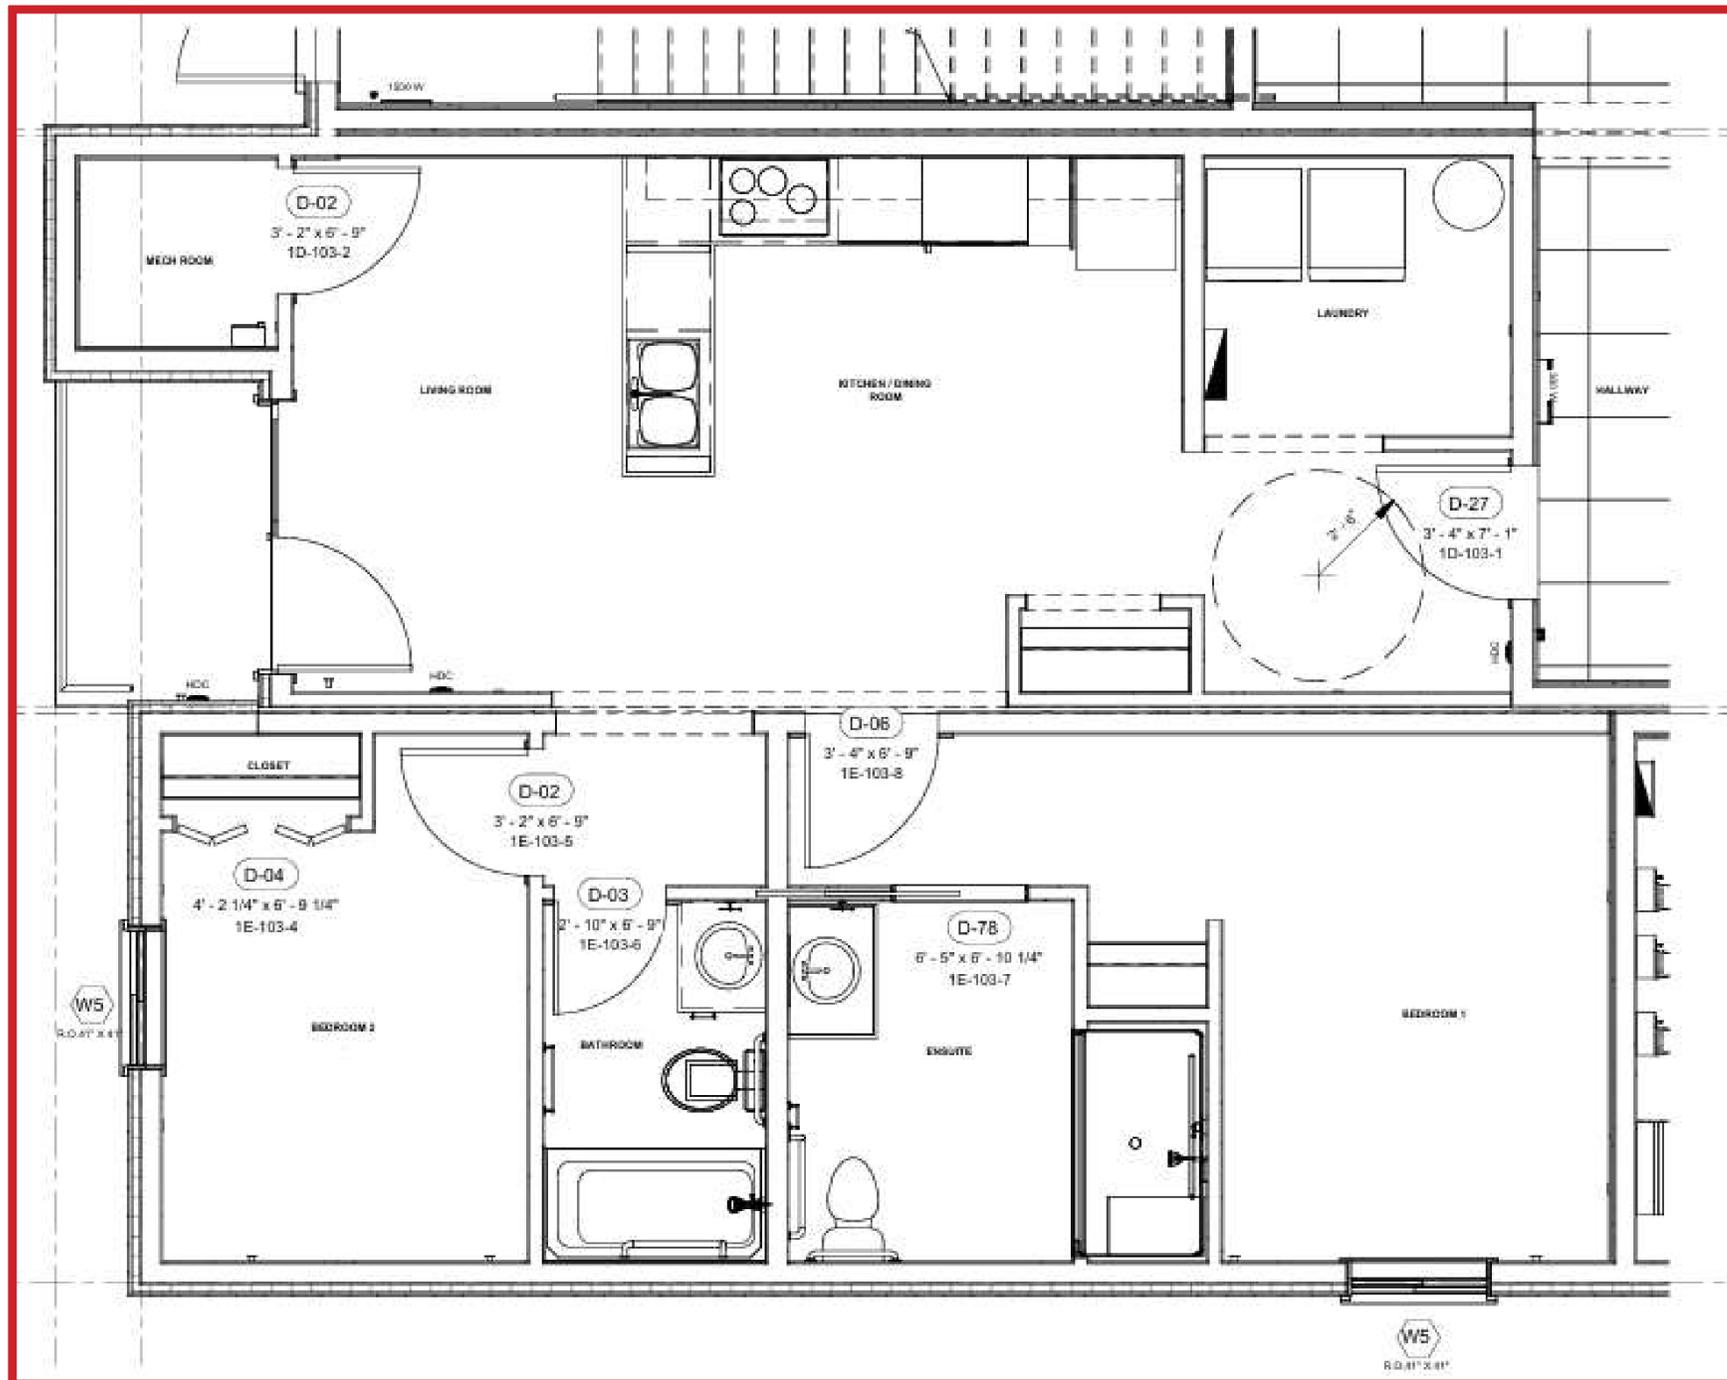

Step-free entry and exterior access
